About This Game

Micro Mayhem is a local multiplayer game where up to 6 players challenge each other using toy cars in various location and different game modes.

- **Free For All:**

It's the classic game mode where you have to kill everybody and get the highest score first.

- **Last Car Standing:**

An all against all where your only goal is to be the last player alive.

- **Team Deathmatch**

Two teams battle each other until one has been destroyed.

- **Capture the Flag:**

Team-based combat where you have to steal the enemy flag and bring it to your base.

- **King of the Hill:**

Conquer and occupy a specific zone of the map to accumulate points.

- **Sport:**

Play what you love. Sports available are football, basketball and hockey.

At the moment we have three selectable vehicles that represent three different play styles:

- **Tank**

- **Havoc**

- **Muscle**

Every vehicle has its own strength and weakness and two different weapons: a basic attack and a special ability.

Environment is a key part of micro mayhem.

Each scenario has unique elements that can affect gameplay. There are currently three different locations per game mode:

-
- **Kitchen**
 - **Study**
 - **Playroom**
